

UNI ASH Herringbone 77°

brushed / grey oil

Collection
SELECT

Article Nr: WE7FBKG056015516

Measurements

Length	560 mm
Width	155 mm
Thickness	16 mm

Specification

Surface	brushed
Lye	
Oil	grey oil

Ash planks, in a 3-layer construction, with a small chamfer along the length and approx. 4 mm counter-move made from the same wood type, and a softwood middle layer. Tongue and groove on all sides for endless installation. The planks are mostly sound knots. There are no color contrasts present in the ash core. Tension cracks up to 30 cm as well as branch cracks and small knots are filled with suitable wood putty. Putty fillings up to 25 mm circumference are possible. Small open cracks and unsealed spots of a few millimetres are permitted. The short boards are already prepared for herringbone laying (77° angle) and are therefore delivered with 50% tongue on the left side and 50% tongue on the right side. The herringbone floorboards are only available with fix dimensions.
